Total Improvements Costs	\$		293,800	\$		494,400	\$		109,300	\$		223,900	\$		252,900	\$		798,000

Suggested Parks Development 2004 - 2010

Only 5 acres of additional park acreage will be required by 2010. The facilities listed above could be developed on existing tracts of land, or additional acreage could be purchased and new parks developed to accommodate the facilities. Any additional acreage purchased now to develop these parks,
